

Burning Heart

written & sung by Albert Kim

Verse 1:

Test me, oh Lord,
search me and try me
Examine my heart and mind
Write on the tablet of my heart
No contradiction, no compromise

Verse 2:

Let Your holy fire burn deep within me
Burn away the dross
I've crucified my sinful nature
and passions of this world

Chorus:

I don't want to be a man
after my own heart
After my own heart, I'm after Yours

Verse 3:

There is a generation rising,
burning for the cross
They're living for Your glory only
Your kingdom's almost come
They're crying out against the spirit
of religiosity
Declaring intimate affections
with Jesus

Bridge:

I have decided to burn for Jesus
There's no way I'm turning back
No chain can hold me
back from running
Straight into Your heart

Corazón Ardiente

Translation to Spanish by Nahir Durán

Verso 1:

Examíname, Dios
escudriña y prueba
Mi mente y corazón
Escribe en la tabla de mi corazón
Sin contradicciones, sin retroceder

Verso 2:

Que tu santo fuego arda en mi ser
Quemando mi maldad
He crucificado esta carne
y pasiones por el mundo

Coro:

Yo no quiero ser un hombre
tras mi corazón,
tras mi corazón, quiero ir tras de ti
or voy tras de ti

Verso 3:

Hay una generación que se levanta
ardiendo por la cruz
Viviendo solo para tu gloria
Tu Reino ha de venir
Están clamando en contra de
la religiosidad
Declarando íntimo afecto
por Cristo

Puente:

He decidido arder por Cristo
No volveré atrás
No hay cadenas
que me retengan
De correr a tu corazón

Tested Through the Fire

written by Joanne Lee, sung by Sarah Choi

Verse:

We're tested through the fire,
we're tried as gold
Found pure before Your eyes
We want to stay burning

Pre-Chorus:

Take our hearts and keep us burning
Give us undivided hearts

Chorus:

Fire, send Your fire
Send Your burning
And we will arise

Bridge:

We've seen the jealous fire of our Lord
on the cross
He won the fight and said,
"It's finished all the way"
And now there's nothing that can stop
us in anyway
So we say here we come

Yo proseguiré
